This 2011 Ford Fiesta Zetec presents a compelling proposition with its remarkably low mileage of just 76,000 miles for its age, complemented by a full service history and a clear vehicle history check. This particular Zetec model is equipped with a 1.25 litre petrol engine and features Bluetooth hands free technology with voice control, a USB port, and mobile navigation preparation. Additional notable features include metallic paint, a perimeter alarm, and front and rear parking sensors, all contributing to a well appointed driving experience.

The Ford Fiesta Zetec is renowned for its affordability and this example is no exception, falling into a low insurance group which indicates it is likely to be economical to run. The combination of its comprehensive service history, clear vehicle history check, and the inclusion of practical features like parking sensors and Bluetooth connectivity demonstrate that this vehicle has been well cared for and offers a superior ownership proposition compared to many others of its kind.
