DESCRIPTION

Toyota Avensis 2.2 D-4D T4 Tourer Euro 5. THIS VEHICLE IS AN OUTSTANDING EXAMPLE & HAS A FULL COMPREHENSIVE SERVICE HISTORY ALONG WITH A BRILLIANT SPECIFICATION

The 2011 Toyota Avensis D-4D T4 is a practical and reliable saloon that offers a balanced driving experience. Powered by a 2.2 litre diesel engine, this model is designed to provide consistent performance for daily commuting and longer journeys alike. As a T4 trim level, it comes equipped with a range of functional features intended to make time spent on the road more comfortable and convenient for the driver and passengers.

This vehicle stands out due to its thoughtful inclusion of technology and space, which helps it compete effectively against other cars in its class. Drivers benefit from the smart entry and smart start system, allowing for keyless access, while the dual zone climate control ensures a comfortable cabin temperature for everyone. Parking is made simpler with the rear view reversing camera, and the dusk sensor automatically manages the headlights when conditions change. Connectivity is handled by the integrated Bluetooth hands free system, and the car is further distinguished by its large boot space and low insurance group, making it a sensible and economical choice for those seeking a well-equipped family vehicle.
