DESCRIPTION

Volvo XC90 2.0h T8 Twin Engine 9.2kWh Inscription Auto 4WD Euro 6. THIS VEHICLE IS AN OUTSTANDING EXAMPLE & HAS A FULL COMPREHENSIVE SERVICE HISTORY ALONG WITH A BRILLIANT SPECIFICATION

This 2016 Volvo XC90 T8 Inscription offers a rare combination of low mileage and limited ownership, having covered only 85,000 miles with just two previous owners. As a 2.0L petrol plug-in hybrid with four wheel drive, this seven seat SUV is designed for versatility and efficiency, meeting Euro 6 emission standards. The Inscription trim level adds a touch of refinement, featuring Dark Flame Birch inlays and dark tinted windows on the rear doors and cargo area. Inside, passengers can enjoy a comfortable environment thanks to the 4-zone electronic climate control and a cooled glovebox, while the Sensus Connect system provides high-quality audio through the premium Bowers and Wilkins sound system. Practicality is also well considered, as the vehicle includes a retractable towbar with a towing capacity of 2,400 kg.

The performance capabilities of this model set it apart from many other large family vehicles, as it is capable of accelerating from 0 to 60 mph in just 5.3 seconds. This impressive speed, combined with the advanced hybrid powertrain, ensures that the driving experience remains responsive and powerful without compromising on the space required for seven passengers. By blending luxury interior appointments with significant towing strength and rapid acceleration, this XC90 provides a well-rounded solution for those who need a capable vehicle that does not sacrifice comfort or performance.
